

TO: Mobile Cancer Screening Coach Client and Partners

FROM: Hamilton Niagara Haldimand Brant (HNHB) Regional Cancer Program

RE: Temporary Closure - HNHB Mobile Cancer Screening Coach

Dear Clients and Partners,

The HNHB Mobile Cancer Screening Coach will be closed until at least January 24, 2022 in response to rising COVID-19 case numbers in the region and the provincial direction to ramp down non-urgent services. The health and safety of the communities that we serve, our clients and staff come first and that is why we are taking this important step.

A member of our team will follow-up with everyone who had an appointment booked to discuss rescheduling. Our team will also contact any clients who require additional tests and work with them to coordinate the necessary follow-up. Clients can speak with a member of the Coach team by calling **905-975-4467** if they have any questions or concerns.

We will continue to work with our community partners to monitor the local situation to determine a schedule for service resumption. For further information on other available cancer screening resources in the community, please visit our website: <http://hnhbscreenforlife.ca>. You can also like and follow our Regional Cancer Screening Program (**@screenforlifecoach**) on Facebook for the most up-to-date information.

We greatly appreciate your continued support and hope to be back in the community soon. Please do not hesitate to contact Riley Crotta, Manager, Regional Cancer Programs at rcrotta@hamilton.ca or 905-521-2100 ext. 63007 should you have any questions or concerns.
