

# YOU HAVE CANCER.

Now you have to  
tell your children.

## Wellspring is here to support you, and your children.

The Family Programming at Wellspring provides access to a Family Counsellor to help address immediate needs, and an 8-week Parents' and Children's Program that guides and teaches children support and coping strategies through therapeutic play activities understanding of how cancer impacts the family.

Call or visit your local Wellspring centre to register today.
